

SEEDS OF HOPE

For Project Tanzania

Have you always wanted to make a difference? Here's your chance...

SEEDS OF HOPE 5K/10K Run & Walk

On Saturday, November 19, 2011, Seeds of Hope for Project Tanzania will be hosting a 5K/10K Run and Walk in Center Moriches to benefit the Seeds of Hope Orphanage in Hedaru, Tanzania, East Africa. The orphanage opened its doors one year ago through the efforts of this fundraiser and generous supporters like you! All proceeds from the event will be used to continue to provide a home, food and tuition for all 16 children to attend school. It costs \$12,000 each year to keep the orphanage open. Please walk or run with us to help us meet our goal!

The non-profit organization Your Energy Shines is helping us organize this event. For more event information please see their website www.yesyourenergysines.org.

We hope you can help us meet our fundraising goal. T-shirt sponsors will have their name printed on shirts given to participants. Sponsors will also be listed on the web page. Sponsorship opportunities are outlined below.

With grateful thanks,
Debi Mazura
Founder, Seeds of Hope for Project Tanzania
